

Like Diamond on Fire

Lyrics by Carole Chalmers, Music by Steve Furster

I took a walk
In the moonlight
And the stars
The stars lit the way

Like diamond
Diamond on fire
And the sky,
So black and clean

Oh, like diamond on fire
Oh, like diamond on fire

And as I walked
Deep in my thoughts
Of you
My thoughts of you

I felt a drop
Rain on my cheek
And I wondered,
How could that be?

Oh, like diamond on fire
Oh, diamond on fire

Then I knew
It wasn't rain
But tears
My tears for you

But not
Because I'd lost you.
But because
You'd lost yourself

Oh, like diamond on fire
Oh, like diamond on fire

Oh, yes you'd lost
You'd lost yourself
Many moons
Before we even met

Oh, like diamond on fire
Oh, like diamond on fire
Oh, like diamond on fire
Oh, like diamond on fire
