

## Helicopter Bob

Steve Furster, Heidi L Dennis

I heard  
You want to fly just like a big bird  
Fill up all your senses  
You'll drop all your defences  
It's crazy but I know what  
I heard

Ohh.....ohhh....high above the mob  
Ohh.....ohhh...with Helicopter Bob

Up there  
You will find him quite debonaire  
Bob'll treat you proper  
Away up in his chopper  
He'll hover like a lover  
Up there

Ohh.....ohhh....high above the mob  
Ohh.....ohhh...with Helicopter Bob

Go pee  
Before you take off use the WC  
You've got the bladder of a pygmy  
Such itty bitty kidneys  
Flush your buffers or you'll suffer  
Go pee

Ohh.....ohhh....high above the mob  
Ohh.....ohhh.... Helicopter Bob

Mile high  
New meaning to the words fly by  
He'll fire up the motor  
And gyrate his rotor  
Kick the tires light the fires  
Mile high

Ohh.....ohhh....high above the mob  
Ohh.....ohhh...with Helicopter Bob  
Ohh.....ohhh....high above the mob  
Ohh.....ohhh....he's on the job  
Ohh.....ohhh.... Helicopter Bob
